Kim Korkar Kırmızı Başlıklı Kız'dan?
(Who's Afraid of the Little Red Riding Hood?), 1st 2009

Written by Şahinkanat, Sara, illust. by İnan, Ayşe, Yapı Kredi Publ., İstanbul
(Translated to English, Macedonian, Galician)

This story is about a little wolf who wants to enjoy the forest by himself. But given the hints, both little wolf and his mother are quite fond of reading and they are aware of the classic tales. The mother is also aware of the forest's risks. So the mother wolf warns the little one about his attitude to the Little Red Riding Hood and the hunter. And she happily finds out that her little wolf is more than aware and he even has creative solutions for all.

Adaptation of genre and the European influence:
Who would be Afraid of Red Riding Hood?
Children's literature has in recent times been dominated by translated
books with the local production of picturebooks has found
it is not a surprise that the widely distributed story of Red Riding Hood. The
story would be found in the story of Red Riding Hood (see Figure 38.3) is a
This picturebook is initially with a focus on the wolf, who is the
Sara Şahinkanat, illustrator Ayşe İnan Altın and the editor of
Müşerrefe. There is a textual and a pictorial play in the book
including toys, books, and a family portrait, familiarize the
book develops as the mother wolf directs questions to the
to play in the forest. On each opening page they go over
the young wolf can take precautions and avoid a close
ing Hood, the grandmother and ultimately the hunter, to
page 38.3, the third-person text translates, "The mother-
took the child on her lap, hiding away her worries she
